

Call For Papers
**EP@L, Economics & Politics at Lille,
Workshop**
December, 18-19, 2018, University of Lille (France)

In the wake of three previous workshops in political economy organized in Lille, the aim of the 2018 Economics and Politics workshop is to bring together scholars from economics and politics interested in interdisciplinary work on political economy. We welcome theoretical as well as empirical papers by both economists and political scientists. Papers covering issues in all usual areas of political economy are welcome. The workshop is intended for presentation of papers-in-progress that can benefit from discussion. Selection of papers will be based on their quality and to favor coherence of the program. Submissions by graduate students of thesis chapters and recent graduates are welcome.

Workshop Organization

There are no parallel sessions. Participation in the workshop is subject to participation in all sessions. To facilitate and improve discussions, time devoted to presentation and discussion will be equivalent. For each paper, at least one discussant will be designated. There is no conference fee. Young scholars (up to two year after PhD) can apply for a scholarship.

Guest speaker: Vincent Pons, Harvard University

Deadlines and submissions
