

Call For Papers

Workshop EP@P, Economics & Politics at Paris

December, 13-14, 2021, Sciences Po Paris - LIEPP

Following the Economics and Politics workshops in Lille (EP@L), in Bruxelles (EP@B), and in Zoom (EP@Z), the 2021 Economics and Politics Workshop will be held in Paris (EP@P), organized by LIEPP (Sciences Po Paris) with the support of Dulbea (ULB) and LEM (University of Lille). The workshop's aim is to bring together scholars from economics and politics interested in interdisciplinary work on public policy, political economy and public choice. We welcome theoretical as well as empirical papers by both economists and political scientists. The workshop is intended for the presentation of work-in-progress that can benefit from discussion. The selection of papers will be based on their quality and the overall coherence of the program.

Workshop Organization

There are no parallel sessions. Participation in the workshop is subject to participation in all sessions. To facilitate and improve discussions, time devoted to presentation and discussion will be equivalent. For each paper, at least one discussant will be designated. There is no conference fee. Young scholars can apply for a scholarship (see below). In case of COVID-19 threat, the workshop would be held online (at European time).

Young scholarship

To support young researchers (up to two years after PhD), the organizers may cover travel expenditures and accommodation for up to four researchers (max 500 euros each). Please, indicate whether you apply for these scholarships in your submission and where you would travel from.

Economics & Politics Prize

At the end of the workshop, the participants will be invited to vote for their preferred presentation. The paper with most votes will receive the prize and a symbolic present.

Deadlines and submissions

An extended abstract or a copy of the paper in pdf format should be sent to epal.lille@gmail.com by September 27th, 2021. Authors will be notified by October 15th and agree to send at least a draft version of their paper by December 1st, 2020.

Those interested in discussing a paper or willing to take part to the event should contact the organizers.
